Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

August 2, 2006

Sir:

Transmitted herewith is a Corrected Recordation Form Cover Sheet. The corrected cover sheet is being filed to correct a typographical error in the original cover sheet. In the original cover sheet, the application Serial No. was incorrectly identified as "10/555,761". The application Serial No. should have been identified as --10/550,761-- on the cover sheet. The correct Serial No. is identified in the corrected recordation form cover sheet.

Also attached hereto is a copy of the assignment document

submitted to the Office. The application Serial No. is identified as "10/550,761" on the assignment document. A comparison between the assignment document and originally submitted recordation form cover sheet clearly shows that the cover sheet error is a typographical one. For Office convenience, a copy of the originally submitted recordation cover sheet (stamped "COPY") is attached hereto.

Please note that the assignment was submitted to the Office on January 9, 2006. However, the Office has not issued a Notice of Recordation of Assignment Document. According to a search of USPTO assignment records, it does not appear that the assignment has been recorded.

Form PTO-2038 for payment of \$40.00 is attached hereto to cover the fee for the correction to the records.

In the event any fees are required, please charge our Deposit Account NO. 111833.

Respectfully submitted,

KUBOVCIK & KUBOVCIK
